**THE SHREDINATOR**  
SECURE COLLECTION CONTAINER

The Shredinator is designed to fit in tight spaces, such as beside a desk or under a counter. It holds 27 kgs of paper and there is no bag required for easy collection. The completely removable lid is lockable and secure and multiple units can use the same key for easy collection purposes.

**SECURITY**

- Tamper proof lid for confidential disposal of documents
- Lockable container fits under desk or tight spaces

**FLEXIBLE**

- Stops lazy tosses of confidential information
- Design creates a 27kg high density stack of paper
- Holds same volume of paper and more cost effective than traditional consoles
- Container is 100% recyclable
- Optional nylon bag

Optional swivel hooks stop tears and breaks of bags

Optional internal nylon bags fit snugly against container

Design creates a 27kg high density stack of paper

One key solution makes collection quicker
